This includes, for example, a laptop or desktop computer, tablet and accessories such as printers, carry cases, cameras and hard drives.

There is nothing for **You** to pay towards the cover.

You also have a **Schedule of Equipment**, which contains the details which are specific to **Your** cover - **Your** details, details of the **Equipment** covered and when **Your** cover starts and ends (the **Period of Insurance**).

This Evidence of Cover and the **Schedule of Equipment** together show the full details of the cover **You** have and the **Equipment** covered.

The cover is for **You** and **Your Equipment** – **You** cannot transfer the cover to anybody else.

There are words and phrases defined in this document, they are in bold and begin with a capital letter. **You** can find the meanings of these words and phrases in the Definitions section which is at the end of this document.

Please call **Us** if **You** find it hard to read this document and **You** would like it in large print.

Who this cover is suitable for

This cover is suitable for students who:

- get a disabled students' grant or similar funding, and
- have been provided equipment through their **Assistive Technology Service Provider**, and
- need cover for that equipment for accidental damage and theft.

What is covered

Accidental Damage, Liquid Damage, Fire Damage, Flood Damage or Damage Caused on Purpose

If the **Equipment** suffers **Accidental Damage, Liquid Damage, Fire Damage, Flood Damage or Damage Caused on Purpose** during the **Period of Insurance**, **We** will either:

1. pay for repairs to it, up to the **Repair Cost**; or
2. if **We** decide that we are unable to proceed with a repair, replace it up to the **Replacement Cost**.

If following the repair or replacement of **Your Equipment** the assistive software licence(s) that you received with **Your** original **Equipment** can no longer work with **Your Equipment**, **We** will pay for the additional cost of a new assistive software licence.

The maximum that **We** will pay for a claim is the **Replacement Cost** of the Equipment including the cost of the assistive software licence.

We will also pay for the reasonable postage or courier costs involved in the repair or replacement of the **Equipment**.

Theft

If the **Equipment** suffers **Theft** during the **Period of Insurance**, **We** will:

1. replace it **up to** the **Replacement Cost**.

 - If **You** are outside the United Kingdom, **We** may not be able to arrange for the repair or replacement of the **Equipment**.
 - If **You** need to make a claim while **You** are outside the United Kingdom, **You** will need to arrange to have the **Equipment** inspected locally. **You** will then need to get a report sent to **Us** explaining what the damage is and what the cost of repairing the **Equipment** will be.
 - if **We** approve the claim, **You** will then need to arrange and pay for the repair. To claim back the cost of the repair, **You** will need to send **Us** the receipt for the completed work. If **You** do not use an **Authorised Repairer**, this may invalidate the **Equipment's** manufacturer warranty.
- Important: If **You** have the **Equipment** repaired or replaced without **Our** written approval, **We** may not pay **Your** claim.

You should not try to open any casing or frame which forms part of the **Equipment**.

4. Giving Us all the important Information

When **We** accept **Your** application for this insurance, **We** will rely on the information **You** give. **You** must take reasonable care to provide complete and accurate answers to the questions asked when **You** take out, or make changes to, **Your** cover. If the information provided by **You** is not complete and accurate the extent of cover may be affected and:

- **We** may cancel **Your** cover and refuse to pay any claim or
- **We** may not pay any claim in full.

We will write to **You** if **We**:

- intend to cancel **Your** cover; or
- need to amend the terms of **Your** cover.

If **You** become aware that information **You** have given **Us** is incomplete or inaccurate, **You** must tell **Us**.

5. Fraud

We take a robust approach to fraud prevention in order to keep premium rates down so that **you** do not have to pay for other people's dishonesty. If any claim made by **You** or anyone acting on **Your** behalf under this insurance is fraudulent, deliberately exaggerated or intended to mislead, **We** may:

- not pay **Your** claim; and
- recover (from **You**) any payments **We** have already made in respect of that claim; and
- cancel **Your** cover from the time of the fraudulent act; and
- inform the police of the fraudulent act.

If **We** cancel **Your** cover from the time of the fraudulent act, **We** will not pay any claim for any incident which happens after that time.

Making a Claim

If **You** need to make a claim, **You** must follow these instructions. If **You** do not, **We** can refuse to deal with the claim, reduce the amount of the claims payment or cancel **Your** cover.

1. Preventing further damage

If **You** need to make a claim, **You** must prevent further damage to the **Equipment**. **You** must stop using it if this is likely to cause more damage.

2. Keep the **Equipment**

You must keep any damaged **Equipment** or **Components** so that **We** can examine them. If **You** do not, **We** will not pay the claim.

3. Contact **Us**

You must contact **Us** to make a claim. **You** must report any claim as soon as possible, and within 45 days of the event that caused the claim.

Before **We** accept the claim, **You** must complete the claim process and give **Us** all the information or documents **We** ask for to assess the claim.

Examples of information or supporting documents include:

- Witness statements.
- Travel tickets.
- Receipts.
- Mobile phone records.
- CCTV footage.
- Correspondence with a landlord, property owner or occupier.

You can contact **Us**:

- a. Online at <https://www.specialty-risks.com/student-claims>; or
- b. By calling 0330 100 0712 (local rate call); or
- c. By email to claims@specialty-risks.com

For **Us** to be able to process **Your** claim **You** must:

- confirm the **Equipment** details;

- b. authorise the **Approved Supplier** to replace the **Equipment**, up to the **Replacement Cost**.

The costs of any claim **You** make cannot be more than the **Replacement Cost**.

Managing costs

We use **Approved Repairers** and **Approved Suppliers** so that **We** can manage costs.

If **You** allow a repairer to start repairs, or a supplier to replace the **Equipment** without agreeing this with **Us** first, **We** do not have to pay **Your** claim.

This is because **You** have stopped **Us** from:

- agreeing that **Your** claim is covered;
- inspecting the **Equipment**;
- managing the **Repair Cost** or **Replacement Cost**.

4. Use of an engineer

When **We** receive **Your** claim **We** may:

- a. arrange for an independent engineer to inspect the **Equipment** before authorising any claim; or
- b. inspect any **Components** which have been removed, and any original documents, within one calendar month after any repair or replacement has been carried out.

We are not liable for any loss to **You** due to any possible delay caused by an inspection. **We** do not have to make a decision about **Your** claim until **We** receive the report from the engineer.

5. Damaged **Equipment**

We can take and keep any damaged or original **Equipment** or **Components** that **We** replace. **We** recommend you unlink your device from iCloud for Apple, Google for Android or the equivalent.

We may need to return the **Equipment** to **You**, for example after **We** have repaired it. **We** will contact **You** to agree how and when to do this. If **You** do not reply to **Our** attempts to contact **You**, **We** can dispose of the **Equipment** if **We** give **You** 30 days' notice.

6. Repair Faults

If the repair carried out by the **Approved Repairer** is not satisfactory, **You** must tell **Us** as soon as is reasonably possible. **We** will then explain how **We** will fix the **Equipment**

You must not send any faulty **Equipment** back to the **Approved Repairer** without contacting **Us** first. If **You** do, **We** can return the **Equipment** to **You** (**You** will have to pay for this) and **We** will not accept responsibility for any more delays.

- to enforce any rights and remedies against someone else
- to get relief or indemnity from someone else that the **Master Policy** entitles **You** or **Us** to.

You agree that **We** can take the action and do what **We** reasonably need to do to take the action. If **We** take action in **Your** name, **We** will pay the costs of this.

If there is another insurance policy in force which covers the same loss or expense as this cover, **We** may be able to share the costs with the other insurer. **You** must give **Us** any help or information **We** ask for to help **Us** do this.

Sanctions Limitation and Exclusions Clause

We will not pay any claim or provide any benefit under the **Master Policy** if doing so would expose **Us** to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.
